Post War Reconstruction- Employment Exchanges- Staffing by Provincial Service Officers- Papers Recorded.

Dev. Dept. (R.I)

Orders have been passed in G.O. No. Ms 1423 Development dated 22. 3. 1948 directing the registration and placement of all categories of employment seekers as an experimental measure. The progress of the experiment will be received after six months by a Committee, if necessary to see whether it is worth while to continue the Exchanges after the sanctioned period. The question of staffing the Exchanges may be taken up after a decision is reached regarding the continuance of the organisation. The papers may therefore be recorded in a G.O. and a C.B. entry made against 15.10.1948.
